a Cough or Cold, or the children so threatened with Croup or Whooping Cough, one Acker's Eoglish Remedy and prevent further trouble. It is a positive cure, and we guarantee it. Price 10 and 50c G. T. Ross, Druggist.

RECHANAN, Ky., June 28th, 1888. MR Entron: - To those not living in the loomediate vicinity it may be interesting to read something in regard to a "sea mouster," or river moaster, that we have a spession love for the kind and made its appearance a short time sluce konshlerate konstactors on the same, but at Wright's ferry; and also the experierce of one who thought it would be an ar taken on and put off at the dapo at honor to capture the huge creature at almost any cost short of life.

The point indicated is perhaps a little more than one mile below Rockville, on

Having heard that the mouster had bankment on the slike next to the dapo, been seen by quite a number of nersons espessibilly further as it is expected that at different thres, some of whom had dethere will be a fu lady passengers to get scribed it as a huge monstef somewhat resembling an alligator, measuring in mouth and long tall, and probably weightraveling alone) try tu get off. There ing hundreds of potinds i while others regarded it as an ugly, vicious, man-eating parties-young persons-who were baitto Catlettsburg last Monday and ther bruzed and joited frame at the foot ing a trot-line, and caused then to scambrought Sam Davis and the Smiths ov the embankment, all blackened and per away to their homes—the writer national Kir Car. to this place. The trial of the smeared with the cole dust and muck urally felt the spirits or Similad, Klt Car-Smiths, which was set for Tuesday, that compose the embankment. She son and Buffalo Bill struggling for ascend seemed bart as she limped away, but ency like the "risibility" (?) of a mule faom hur looks I judged that hur feelings when prodded from the rest with an um-

Thurman club which was organized this kood hav bin prevented if the koath Knowing that marksmen superior to here last Monday will hold its next had bis dropt down to the dapo, so the myself were scarce; and feeling a willingmeeting at the Court House on Fri- passengers kood have been helpt off onto ness to risk even life itself, if necessary, in an effort to capture the inimerise aquatic creature, and possibly save the life of some défenceless person, I took down my bottle of Shiloh's Catarrh Remedy. pever-filling breech-loading rifle, swung my cartridge box over my shoulder and started for the "field of Battle", intending to "beard the lion in his den", or do something else equally wonderful and

courageous. I Had been told thift the daud time for its appearance—coniling from the deep water in search of food-was a little before or about sundown; at which times It would dash through the water with a

Feeling the responsibilities of the situation, I tramped up and down the beach like a "lone sentinel", guarding the lu-

near the water's edge to await the com ing of schething more interesting. An sure enough, it came. Darkoess was now approaching, and my anxiety-possibly fear-was increasing in proportion, while I thus sollicquized. This thing of meeting and battling with an unknown monster, in darkness and all alone, possible my flesh to be decoured by the hideou creature, and my bones to be thrown up on the sandy beach to blergh for age unrecognized and unknown, is not "chile ren's play." After a short and siles "walting and watching" it became evident that I was not entirely alon "Graclous Mullikins"-what is it ' Gas ing intently through the darkness I discovered a riving, moving creature of some whereabouts. Only a part of it could be seen, as the greater portion of its body

became conscious of a terrible struggle elsewhere than in the river; and I rever will be able to tell which bair got nearest to the top of my hat.

Run? No. indeed. The "supreme moment of my life" had come, and "live or die, sink or swim, survive or perish, I had determined to "fight it out on that

On came the monster; "he she or it" was now but a few feet from me, and the time for action had arrived. No time now to think of the "thrilling incidents" Willam Elsvick, of Loss creek, was of the Wild West, nor to what extent the visiting relatives at this place this week. "History of the Big Sandy Valley" would John Woods has returned from a visit be affected by transpiring events. As a friendly spirit seemed to whisper in my Died, on the 28th uit,, an infant child ear "shoot Luke, or give up the gun", I E. W Jobe was taken very ill a few slighted with the precision of a Trear-rank Catalogue, 60 Pages, 40 En-Hern, to Mrs. Martha Kitchen, a bonne- the trigger. Fathers alive! Abraham. Cornstalk and Confuctus!! The surrounding atmosphere appeared to be all Pope Manufacturing Co., ed with smoke, water and fragments, and also a peculiar smell.

One with a vivid imagination might have heard the river groaning unner the terrible lashings and slashings of the dying monster's tail.

That shot proved to be effectual. The smoke has cleared away, the water that started hear onwerd has returned to the bosom of the raw placid river, and

feet. Glory enough for one night!

Lean, not, give exact measurements, Length and elecumference of body, length or tall, head, mouth and teeth, but I feel warranted in stating that there are not es many living water-snakes in Sandy as
